**INDIAN INSTITUTE OF FOREIGN TRADE
DEEMED TO BE UNIVERSITY**

From the Desk of the Director

Indian Institute of Foreign Trade (IIFT) stands for academic & professional excellence. Over the last five decades, IIFT has nurtured excellence in the arena of international trade and investment. With the modest beginning as a facilitator for external trade in 1963, IIFT has emerged as one of the pioneering Institutes in the Asia Pacific, playing the role of a leading B-School in the Sub-Continent besides being a Think Tank Organization for foreign trade and policy matters and also a hub for research and knowledge dissemination.

Recognizing the immense contribution of IIFT for promoting skill and knowledge in International Business, it was accorded the status of “Deemed to be University” in 2002. The National Assessment and Accreditation Council (NAAC) has recognized IIFT as Grade ‘A’ institution in 2005 as well as in 2015. The National Institute Ranking Framework (NIRF) has also ranked it as 23rd under Management in 2018. Needless to mention that most surveys conducted year after year have ranked IIFT amongst the top 10 B-Schools in India.

In the spectrum of IIFT’s activities, research occupies a unique place because of the institutional emphasis on a strong and pervasive interface between research and theory. Research activities are undertaken both as part of in-house research programmes and at the instance of client institutions, which include Central and State Governments, various Public Sector Undertakings and International Organizations like the World Bank, the FAO, International Trade Centre, UNCTAD, WTO, UNIDO, UNESCAP, DFID, etc. The Faculties of the Institute have contributed significantly in various disciplines by regularly presenting and publishing their research in reputed academic and policy forums.

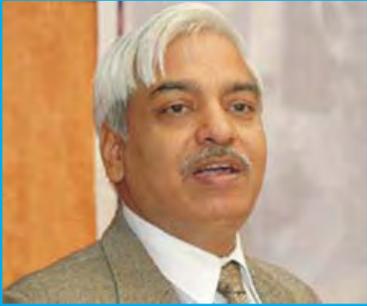

The five-year Ph.D. Programme offered at IIFT is one of the most preferred research degree programmes available in Indian and overseas Universities/Institutes. It is expected that IIFT Ph.D. scholars would make original contributions in their respective fields that helps in expanding the knowledge frontier. It is heartening to note that many IIFT Ph.D. scholars are regularly appearing in reputed refereed national and international journals and other forums.

Till date, IIFT has awarded 33 doctoral degrees to its successful research scholars and some of them are occupying high positions in academic and research institutes, government departments and leading corporate groups.

I welcome you to become a part of IIFT Ph.D. Programme which is an ever-expanding knowledge network at the Institute and excel in your pursuit for knowledge.

Prof. Manoj Pant
Director

From the Chairperson

During IIFT's five-decade long journey as a centre for providing high quality education for meeting the growing needs of internationalization and globalization, we have constantly strived to raise the bar every year in terms of the quality of students as well as the course curriculum.

IIFT is known widely for its competence in research-based learning and has conducted a number of research studies for both national and international organizations in the government and private sector on important policy issues. The doctoral scholars at IIFT's Ph.D. Programme regularly participate in national and international conferences in India and abroad. The Institute is committed to continue this journey towards scaling newer heights.

I take this opportunity to extend a cordial invitation to you to become a part of this journey in order to make a mark in your career.

About the Institute

The Indian Institute of Foreign Trade (IIFT) was established in 1963 as an autonomous organization under the aegis of Ministry of Commerce & Industry, Government of India, to contribute in the skill building for the external trade sector of India. The Institute's portfolio is spread over a number of long-term MBA Programmes, which include: two-year MBA (International Business), two year & six months MBA (International Business) (Weekend), Executive Post Graduate Diploma Programmes in International Business, Industrial Marketing, Capital & Financial Markets, etc., to name a few. The detailed information on the MBA Programmes offered by IIFT at New Delhi, Kolkata and Dar-es-Salaam campuses as well as through VSAT modes can be obtained from the Institute web-page (www.iift.edu).

In addition to MBA teaching, the Institute has trained about 50,000 business professionals across more than 30 countries in various facets of international business and trade policy through its Management Development Programmes. The detailed information on the MDP programmes offered by IIFT can be obtained from the Institute web-page (www.iift.edu).

The IIFT Ph.D. Programme is well-known for quality research in important business issues in national and international context. The Programme is attended by both Part Time and Full Time research scholars. Most of the IIFT Ph.D. Scholars are placed highly in reputed academic institutions and universities, government departments and leading corporate groups.

DELHI CAMPUS

Located in the Qutab Institutional Area in close vicinity of other reputed institutions such as JNU, IIT and ISI, the Delhi Campus, spreading over six acres of land and overlooking green ridge and historical QutabMinar, provides an ideal environment for academic excellence.

The facilities available on the campus include, well-equipped Library, centrally air-conditioned lecture halls with modern audio-visual aids, conference halls for round-table conferences, an auditorium of 450 seating capacity, gymnasium, indoor games, besides quality residential facilities for the MBA students.

Library Facilities

A fully automated Foreign Trade Library is a vast knowledge bank with an impressive collection of 103,840 resources, that comprises nearly 76,805 book/CDs-volumes, 17,631 bound periodicals, and 255 periodicals on the subjects related to International Trade & Business such as Economics, Management, Marketing, Statistical theory, Banking, Industries, Logistics, Global Business Environment, Geopolitical Economic System, etc. The library has access to Bloomberg Database as well which offers a dynamic network of information for decision-makers. Bloomberg is of great value to students seeking fast access to accurate business and financial information, news and insight around the world.

The 'WTO Resource Centre' provides information exclusively on WTO and related issues. The Centre is a depository of number of books, periodicals, reports, documents, newspapers, video cassettes & CD ROMs on WTO, published by WTO and government/non-government and international

organizations. It has also added to its collection a large number of subject files and Press Clippings on issues under WTO covering Subjects such as Anti-dumping and Countervailing Duties; Bilateral Trade; Dispute/Dispute Settlement; Countries Seeking Accession to WTO; Trade Related Intellectual Property Rights; Trade in Services; Trade Related Investment Measures; World Trade Law; Government Procurement; Electronic Commerce and WTO; Social Clause and Labour Standards; Trade & Environment; Trade & Technology; and General issues in WTO, etc.

In order to facilitate online access to information, IIFT Library has also subscribed to several trade related online and offline databases, like EBSCO, Proquest, Emerald, Blackwell, CMIE, JSTOR, Indiastat, World Trade Online, IMF Databases, OECD online, World Trade Atlas, and many more to its list.

Computer Facilities

The state-of-the-art infrastructure facilities at IIFT include well-equipped computer centre. IIFT computer labs are fully supported with OS / Application software such as Novell Groupwise, Microsoft Live Communication, Oracle, VB, Microsoft project, Java, SPSS, E-Views, SAS, etc. IIFT has its Data Centre equipped with Unified Storage, Virtualized Server Environment, Web Servers, Email

Servers, etc. The Institute has a multi-tiered network infrastructure in place. Buildings inside the campus are well connected with fiber network. The network infrastructure is at layer 3 switching level that helps to interconnect all components together on one platform. Institute's network is also supplemented with managed WiFi supporting 802.11n and standards. Over 1000 users have access to this network. Apart from this, classrooms are adequately equipped with LCD projectors and PCs. The Institute has also developed the indigenous Campus 360 solution, which is a fully integrated platform that provides convergence facility to the faculty with the students and the programme office.

KOLKATA CAMPUS

The campus is located in IIFT's own premises in the picturesque East Kolkata off EM Bypass in a sprawling area of around 7 acres. The campus is developed as a green and fully integrated campus with independent blocks for academic, administration and student living areas with all modern amenities. There are centrally air-conditioned modern lecture halls, syndicate rooms, common area, auditorium, open air theatre, common courtyard in its academic and administration blocks with exemplary designs to create a great learning environment. The campus is fully under Wi-Fi.

IIFT Kolkata Campus

Library

The library at Kolkata Campus is gradually growing with resources and other electronic and virtual information. It includes around 3,778 books and CDs and 5,000 national & international journals (including e-journals) in the field of International Business management and related areas, such as International Trade, Statistics, Economics, Mathematics, Marketing, Psychology, Operation Research, Business Communication, Advertising and others. On-line databases (accessible from the campus) are one of the most important and valuable resources of the library.

Computer Centre

A Computer Centre for the students with HCL desktop computers provides access to various online resources and databases like India Trade, Prowess, IAS, SPSS, World Trade Atlas, ACEquity, Bloomberg Terminal etc. and high speed internet connection.

CENTRES AT IIFT

IIFT has following centres dedicated to respective focus areas, which contribute significantly to research, training and consultancy.

- Centre for WTO Studies
- Centre for Trade Facilitation and Logistics
- Centre for Regional Trade
- Centre for Trade & Investment Law

Assessment and Development Centre

The Assessment and Development Centre (ADC) is having around 100 psychological tests and more than 20 equipments. The psychological tests would facilitate in understanding the personality, aptitude, interest, motivation, decision making, and entrepreneurial competencies of IIFT students. This psychological profiling would enable our students to strengthen their career as well as their life better.

The detailing of test development and standardization of the test knowledge are also imparted through the Assessment and Development Centre.

PUBLICATIONS

The Institute publishes a well known quarterly journal '*Foreign Trade Review*' in collaboration with SAGE Publications, which lays emphasis on international trade, finance, trade blocs, trade policy, marketing, etc. '*Focus WTO*', also a quarterly journal published by the Institute focuses exclusively on WTO and WTO-related issues. The Institute brings out a Working Paper series to help faculty members to share their research findings. These papers are published on-line and uploaded on IIFT website. IIFT Research Newsletter is published regularly.

A quarterly e-newsletter "Tech-n-Trade" has been rolled out and each issue focuses on a particular theme or allied themes in the domain of technology, innovation and trade. In addition, the research carried out by the Institute is widely disseminated in the form of study reports, monographs, working papers and occasional papers.

Ph.D. Programme at IIFT

The Institute invites applications for its **Ph.D. Programme Full-Time (Economics)** and **Ph.D. Programme Full-Time & Part-Time (Management)** from both domestic and overseas candidates for the year 2019. Selected candidates for the Ph.D. Programme can attend the classes during the course work from Delhi as well as Kolkata campus (through real time interactions).

The broad areas in which the Institute offers admission to Ph.D. Programme are:

- Economics (Full Time)
- Management (Full Time & Part Time)
 - General Management & Strategy
 - Marketing
 - Finance
 - Operations and Supply Chain Management
 - IT Innovation & Technology Management

Objectives

One of the primary purposes of the Ph.D. programme is to encourage scholars to undertake research and in-depth analysis and enrich knowledge in their chosen field. It includes the ability to independently apply methodologies of scientific research as well as to create new scientific knowledge. Further, the scholars are expected to demonstrate an ability to

critically analyze research findings and to understand their importance in the wider contexts and effectively communicate and disseminate research results.

Duration & Process

The Institute offers admission to Ph.D. Programme in Economics and Management and the doctoral thesis must be submitted within 5 years, from the date of admission. During the first year, selected scholars need to complete the coursework at the Institute covering two semesters. On successful completion of the coursework including Seminar Paper and approval of the proposed research topic (Synopsis Confirmation), a confirmation certificate will be issued along with the name of Ph.D. Supervisor. A three-member Doctoral Advisory Committee (DAC) will be set up for each scholar for his / her doctoral research. The scholar has to present his/her research progress to the DAC atleast two times a year. There is a minimum period of 2 years from the date of receiving the synopsis confirmation certificate after which the doctoral thesis can be submitted for external evaluation.

The selection of the candidates will be based on their suitability and availability of vacancies. However, the reservations will be as per Government of India's Rules.

Course Structure

Selected scholars are required to mandatorily attend course work at IIFT during the first year of the Programme. The total course work is of 16 credit hours (1 credit hour = 10 hours) including 2 credit hours of seminar paper. The course work is divided over two semesters: Semester 1 of 9 credit hours and Semester 2 of 7 credit hours. Classes for Full-Time (Economics and Management) will be held on weekdays and for Part-Time (Management) on weekends.

Course Structure is subject to revision by the Institute's Academic Council from time to time. The classes for full-time scholars will be conducted during week days and for part-time scholars during weekends.

In addition to the coursework, the **Full Time Ph.D. Scholars** at the Institute are encouraged to get involved in various teaching, research and other academic activities (e.g., offering tutorials, case presentations), helping faculty in teaching and evaluations. Ph.D. students offered scholarship by the Institute and those with JRF, etc. are required to be involved in teaching, research and evaluation work.
