Dear Sir

Please find attached our organization`s write up documents for uploading on IIFT website. The attached document contains all information regarding our Organization.

1. Name: Humana people to people India

2. Year of Establishment: 21st May, 1998

3. Focus Area: Main Activities of the Organization: HPPI implements projects under each of the below seven lines of development, where the activity constituents of each project are decided through community participatory stakeholder meetings to best suit their need. The projects bring in international and domestic experience in solving problems, mostly in rural India, which otherwise remain unattended due to lack of concerted efforts and proper guidance.

Following are the project models:

Community Development Projects

- Health and HIV/AIDS Projects
- Child Education Projects
- Environment Projects (Green Action Projects)
- Teachers' Training Colleges
- Micro Finance Projects
