About the competition

OutThink was L&T's Case Study competition where students from more than 25 B-Schools were required to form a team of 2 members and participate. It consisted of 2 rounds

The Final presentations from IIFT team had to be made in front of the jury consisting of Head Honchos of L&T. The top three teams were then rewarded based on various judging parameters

Testimonial from Winning Team:

Overall it was great experience from start to finish and the befitting reward for the hard work we had put in the first few months of our MBA career. Also now it has given us the impetus for participation in other National Competitions.
